

HARMONOGRAM PROVÁDĚNÍ STAVEBNÍCH PRACÍ

	2009												2010												2011											
	04	05	06	07	08	09	10	11	12	01	02	03	04	05	06	07	08	09	10	11	12	01	02	03	04	05	06	07	08	09	10	11				
Rekonstrukce																																				
SO 01	[Blue bars indicating construction activity from 2009 to 2011]																																			
SO 02	[Blue bars indicating construction activity from 2009 to 2011]																																			
SO 03	[Blue bars indicating construction activity from 2009 to 2011]																																			
SO 04	[Blue bars indicating construction activity from 2009 to 2011]																																			
SO 06	[Blue bars indicating construction activity from 2009 to 2011]																																			
SO 07	[Blue bars indicating construction activity from 2009 to 2011]																																			
SO 08	[Blue bars indicating construction activity from 2009 to 2011]																																			
Průlehy																																				
inženýrských sítí																																				
Dostavba																																				
Lokalita 1.1	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.2	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.3a	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.3b	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.4	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.5a	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.5b	[Green bars indicating construction activity from 2009 to 2011]																																			
Lokalita 1.9	[Green bars indicating construction activity from 2009 to 2011]
